This market exists for the benefit of our community to bring a variety of fresh, locally grown produce, homemade baked goods, personal care products, and craft and artisan goods produced by local, invested and friendly vendors in an engaging, outdoor atmosphere. The event will be held outside rain or shine. Tents and umbrellas are recommended but not mandatory. **All trash must be removed** at the end of the day. The event will go on rain or shine and no refunds will be given due to weather. Customers will appreciate the visibility aspect and location of the market, an excellent reminder to stop and shop the local retail market!

**Please note:** no politically based merchandise will be sold at this event.

**Please note;** the event is subject to be canceled and or relocated per need of the property.

Thank you for your continued interest in our market! For more information feel free to call me at 715-735-3325. Please leave a message and I will return any unanswered calls.
